Travel to Budapest by car:

All Hungary's motorways and most of the main roads radiate out from the capital. The M1, M3, M5 and M7 are toll motorways, and you must pay the appropriate toll (either at the border or at larger petrol stations) and display the windscreens sticker before joining the road.

Road signs conform to continental standards. The wearing of seatbelts is compulsory in both the front and back seats, and only handless mobile telephones may be used whilst vehicles are in motion.
